FOR IMMEDIATE RELEASE

## Accurate Background Partners with VISANOW to Provide Global Immigration Services to its Customer Base

LAKE FOREST, Calif., March 30, 2009 – [Accurate Background, Inc.](#), a nationwide background screening company, announced today a strategic partnership with [VISANOW](#).

The leader in global online immigration services, VISANOW will enable Accurate Background's clients to manage their global workforce more strategically and cost-effectively. Using VISANOW's patented online process, human resources professionals can efficiently manage visas for their foreign employees and benefit from VISANOW's unrivalled 99.6% approval rate, 30 minute attorney response time, and flat fee structure.

In turn, VISANOW clients will have access to the [background screening](#) tools and technology offered through Accurate Background allowing them the global flexibility and improved efficiency to better manage and standardize their background screening programs. Accurate Background offers a full suite of background screening services designed to help organizations protect against potential liability and unexpected losses while maintaining compliance with federal, state and industry requirements.

"VISANOW was a clear choice as our trusted partner for global immigration processing because of their shared commitment to [leading technology](#) and excellent customer service," says Dave Dickerson, president of Accurate Background. "We are continuously looking for ways to offer our clients the best available services on the market and VISANOW has the resources to save our clients time and money."

In finalizing the partnership, VISANOW and Accurate Background evaluated a wide range of factors including company size and position in their prospective industries, product and [technology functionality](#), customer service and client satisfaction, and the flexibility to service their mutual clients.

"In times of increasing economic pressures, HR departments need to demonstrate clear ROI from their investments in talent acquisition. Best-in-class services for candidate background screening and work authorization are critical to maximizing the value provided by global talent pools. We are excited to partner with Accurate Background to offer greater value to our mutual clients", says Robert Meltzer, CEO of VISANOW.
