

Arizona Credit Unions: The Real Story

Tax-paying Arizona banks compete head to head with tax-exempt credit unions. Although they portray themselves as mom and pop shops for people of modest means, today credit unions are a \$2.2 trillion industry, with many indistinguishable from banks. The **BIG** difference—they don't pay federal income taxes, depriving the U.S. Treasury of nearly \$3.1 billion every year.

Who Pays the Taxes?

Taxes Paid in 2022

AZ Credit Unions

\$0

AZ Banks*

\$268,296,000

*Includes all applicable federal, state and local, and foreign income taxes

Desert Financial Credit Union would have paid **\$18.1 million in taxes** during 2022, had it paid its fair share.

Indistinguishable from Banks

Larger than All But One Arizona Bank
